Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HERESY VOLUME III: THE KETTLE BLACK

Createspace, United States, 2011. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The divas demigods who stride past long lines to a club s entrance, make kissy-kissy with the bouncer, who enrages all of those standing in line by opening the velvet rope for them and them alone; they who waltz through the doors with a wave to the girl who charges everyone else twenty bucks; the upper-echelon fops and dandies and chippies; what is it that makes them so special? You are doomed. * * * * * Heresy is a series of five crime thrillers that, in the guise of fiction, cut through the numerous social taboos that prevent an honest discussion about the self-destruction of the United States. They tell a story in the voices of a high school dropout in a South Floridian drug ring, a stripper who moonlights as a narc, a serial killer, a Satanist with conflicting values, and their victims and accomplices. A number of copies have been donated to Florida prisons, and convicts, having been attracted by the lurid subject matter, claimed to leave with a different point of view. In fact, one black supremacist, after reading about the origins of racism in the US, approached the author and asked if it was true....
