Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.All twins are EXACTLY alike, aren't they? Meet Mitty and His Sister who are fraternal twin Siamese kittens who couldn't be more different than night and day! In this picture-based tale of two kittens, you'll follow Mitty through some of his favorite adventures. You'll see how very different a set of twins can be, and how, at the end of the day, their friendship is what matters most. If you've ever had a sibling, a twin, a friend or a doppelganger, you will relate to this story. This is the first published story by Seattle area artist, Kristol Jones, and it reflects her slightly warped sense of humor while still being appropriate for kids ages 4 and up.
