POLAR ANIMALS

Kids Can Press. Paperback / softback. Book Condition: new. BRAND NEW, Polar Animals, Deborah Hodge, Pat Stephens, The polar regions are home to amazing animals whose bodies are built for living in the extreme cold. Emperor penguins, snowy owls and beluga whales all have special ways of staying warm, finding food and raising their young in a polar habitat of thick ice and snow. The Who Lives Here? series looks at animals in their natural habitats - rain forests, polar regions, deserts and wetlands - and explains how the body and habits of each animal are suited to the place it lives. Charming, realistic illustrations, playful language and intriguing facts make these books a perfect read for young children.
