Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

Brand New Book ***** Print on Demand *****.Excerpt from Journal of Lieutenant Isaac Bangs: April 1 to July 29, 1776 I have had an edition of one hundred copies of this journal of my great-uncle printed, not so much because it has any particular historical value as because it gives a rather quaint picture of the social life of the time, and shows, at first hand, something of the feelings that actuated the conduct of the young patriots of that day, - feelings which, with regard to the poor, persecuted Tories, seem now rather exaggerated, - while, as to the man George, we, whose masters chastise us with scorpions, incline to look back upon his feeble whip with a sad sense of regret, and to be not a little amused at the way in which our ancestors worked themselves up into complaining so loudly and so bitterly of impositions, trifling indeed compared to those to which we submit in meek silence. Of the writer of the journal I am not able to give much information, though I have sought for it diligently. Isaac Bangs (Benjamin, Edward, Edward, Jonathan, Edward) was born at Harwich in Massachusetts on the 11th of December, 1752. He was the second son of Benjamin and Desire (Dillingham) Bangs. He descended, on the father s side, from Edward Banges, who came to Plymouth in the Ann in July, 1623; and on the mother s side, from Edward Dillingham, of Bitteswell, England, who was, in 1637, of Sandwich, in Massachusetts.
