Tantra is the name scholars give to a style of religious ritual and meditation that arose in medieval India no later than the fifth century, and which came to influence all forms of Asian religious expression to a greater or lesser degree. Strictly speaking, this usage of the word tantra is a scholarly invention, but it is justifiable on the basis of the fact that the scriptures that present these practices are generally known as tantras, regardless of which religion they belong to. The historical significance of the Tantric method lies in the fact that it impacted every major Asian religion extant in the early medieval period (c. 500 - 1200 CE): thus Shaivism, Buddhism, Vaishnavism, and Jainism all developed a well-documented body of Tantric practices and related doctrines. Its influence spread far outside of India, into Tibet, Nepal, China, Japan, Cambodia, Vietnam, and Indonesia. Today, it is Tibetan Buddhism and various forms of Hinduism that show the strongest...
