

The Meaning of Life - Rachel Riley's (not) DOING IT Diary

By Nadin, Joanna

Oxford University Press, Oxford, 2008. Paperback. Book Condition: New. 12mo - over 6¾" - 7¾" tall. Brand new, unread. It is official. I am going out with rock god and part-time meat mincer Justin Statham. Am certain that he is THE ONE and will prove it by having excellent relationship on every level. Oh no. What if he wants me to do it? Have only just got to grips with art of snogging so will need to get help fast. Or at least by 16th birthday. If it happens it needs to be earth-shattering and meaningful as it is, after all, the Meaning of Life.
