

Anti-Americanism in Latin America and the Caribbean: v. 3

Filesize: 3.06 MB

Reviews

It is one of the most popular pdf. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

ANTI-AMERICANISM IN LATIN AMERICA AND THE CARIBBEAN: V. 3

DOWNLOAD

Berghahn Books. Paperback. Book Condition: new. BRAND NEW, Anti-Americanism in Latin America and the Caribbean: v. 3, Alan McPherson, ".an excellent collection. Like any good collection, the articles raise as many questions as they answer.[that] highlight the value of the collection for use in undergraduate courses on Latin American history, inter-American relations or U.S. foreign policy. Liberal use of appropriate political cartoons adds spice to the readings." * Hispanic American Historical Review ".a very interesting collection of nine original essays, plus an extensive introduction by the editor.[whose]concluding remarks leave room for future debates. [It] could help undergraduate students in many disciplines, from international relations and American Studies to history and geopolitics.[It] must be seen as a fundamental addendum to any bibliography on the study of anti-Americanism." * The Latin Americanist "This volume addresses an important topic and does so very effectively. All of the essays take on a high level of quality. All the essays are well written and well researched. They also show a high level of methodological and conceptual sophistication. They effectively deal with uniformities and differences in manifestations of anti-Americanism from time to time and from place to place." * Mark Gilderhus, Texas Christian University ".the collection succeeds in generating a number of stimulating explorations of anti-Americanism, providing an important starting point for further re-examination of a phenomenon that continues to grow in significance in the contemporary global environment." * Journal of Latin American Studies Whether rising up from fiery leaders such as Venezuela's Hugo Chavez and Cuba's Fidel Castro or from angry masses of Brazilian workers and Mexican peasants, anti U.S. sentiment in Latin America and the Caribbean today is arguably stronger than ever. It is also a threat to U.S. leadership in the hemisphere and the world. Where has this resentment come from? Has it arisen...
