By Wolcott C Foster

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Treatise on Wooden Trestle Bridges: According to the Present Practice on American Railroads The favor with which this work was received encouraged the author to make a thorough revision upon the exhaustion of the first edition. Much new matter has been added and an endeavor made to embrace any new ideas, improvements, or knowledge derived since its first appearance, in fact to make it exhaustive as to the present knowledge and practice of trestle building. Among the more important additions of new matter are the following: To Chap. II much has been added as to the life of piles on different roads; many examples quoted of particular cases of the bearing power of piles; effects of shoeing and overdriving piles; formulas for the bearing power of piles and rules to be observed in pile driving; and additional records of cost and rate of pile-driving. To Chap. III have been added plans and a description of a water-jet pile-driver and data relating to the use of this method. To Chap. V been added a section...
