Xulon Press. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 8.8in. x 6.0in. x 0.7in. Have you ever considered the meaning of the words Truth, Liberty, and Freedom? Have you wondered what it means for America to have a designated mission that demonstrates Exceptionalism which manifests our destiny? Have you pondered the relationship which Darwinism, Atheism, Evolution and Christianity play in the role of the American family? This book brings out the truth concerning each one of these ideologies. America Is Calling is one of the boldest and most forthright accounts concerning the principles of liberty, truth, America, and the American family. Finally, the light is shed on concepts most authors are not willing to bring out into the open. Our world today overflows with confusion and uncertainty. It is filled with economic concerns and worldwide political bickering. America Is Calling details the factual reasons for today's worldly conflicts, describing God's design and purpose for families, while bringing out the real responsibility for today's America citizens (both the younger and the adult). Benjamin Franklin told us our Constitution is a Republic if we can keep it. President Ronald Reagan once said, "If we ever forget we are One Nation Under God, we will go under." Where do you stand regarding Franklin's and Reagan's concerns for America? This book invites you to search your inner self for answers to questions such as: What does America really mean to me? What is the true meaning of Patriotism? Where do I stand when it comes to holding to The Spirit of America? How much am I willing to give to keep America a Republic? Opening this book will answer these questions and change your life forever. Do not continue waiting, for America Is Calling. This item ships from multiple locations. Your book may arrive from...
