However, Learners anyone interested in the processes of achieving quality eLearning (Online) Courses Resources will gain valuable knowledge from reading understanding the sections in this book. Each CHECKLIST contains important points for you to consider. I call this information underpinning knowledge . This is vital knowledge you need when you are involved in adding quality as you create, develop, evaluate, adapt eLearning (Online) courses resources. Underpinning knowledge - what do I mean? Underpinning knowledge is a level of knowledge that supports the general knowledge needed to achieve competence. Perhaps people forget to share this level of knowledge with learners, or perhaps they are not conscious of the need to share this level of knowledge. Underpinning knowledge helps you to understand WHY you have to follow certain steps. How do I know? I have been a teacher for over 25 years. My CHECKLISTS contain valuable underpinning knowledge that I have used to be an effective teacher. I gathered this level of knowledge from my own personal experiences with teaching face-to-face online, my...

### Reviews

*Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
