Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

Cambridge Library Collection, United Kingdom, 2012. Paperback. Book Condition: New. 216 x 140 mm. Language: German Brand New Book ***** Print on Demand *****.A leading German theosophical writer, Karl Kiesewetter (1854-95) published several influential works in the years just before his early death. They included a history of modern esotericism (1891), a biography of Mesmer (1893, also reissued in this series), studies of John Dee and of the Faust legend (both 1893), and this two-volume account of occult beliefs and practices in the ancient world (1895), which was completed by Ludwig Kuhlenbeck (1857-1920), a scholar of ancient philosophy and law. Volume 2 focuses on the civilisations of the Mediterranean (Greece, Alexandria, Rome) and northern Europe (the Germanic and Celtic peoples). Each general description is followed by more detailed investigations of particular aspects of that community, such as individuals (Socrates, Philo and Pythagoras), practices (divination, healing and oracles), and teachings (gnosticism, Manicheanism and creation, the afterlife), together with textual excerpts (in German translation).
