Reviews

Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A tale of love, betrayal and horror spawned by ignorance! Even if you have never been through a divorce, chances are you know someone who has. It is a life altering experience for everyone. In a small town just outside Salt Lake City, Utah, life for Steele Carrington and his four children turned to complete horror. A family desperately struggles to remain together despite being overlooked by the blind eye of our lady justice. Described is the confusion, complexity and lack of communication in a system put in place to protect children and make decisions in their best interests. Addressed are Utah Division of Child and Family Services standards, father s rights, non custodial parents; the not so friendly family court, including attorneys, guardians ad litem, visitation, custody reform and custody evaluations. Experience the poignant struggles of these young children as they are tormented by the issues of truth, fairness, equity, ethics and abuse.
