## THE CRAZY CAMERA

Caramel Tree Readers, United States, 2014. Paperback. Book Condition: New. 208 x 146 mm. Language: English . Brand New Book. The Caramel Tree Readers Level 4 is a delicious series of leveled readers for children ages 7 to 9. The diverse, original stories have a word count of approximately 2,000 words. The stories in this series vary with narrative in first person or third person, and they have increased character dialogue, which allows students to develop character studies. They focus on realistic fiction and have settings that students can relate to, but each story has a unique twist that will keep students thinking. Jake isn t always nice to people. He can say very insensitive things to people around him. Jake can even be rude. One day, Jake thinks he is going crazy because of his new camera. He decides to change his ways before it s too late.
