Anywhere or Not at All: The Philosophy of Contemporary Art

By Peter Osborne

Verso Books. Paperback. Book Condition: new. BRAND NEW, Anywhere or Not at All: The Philosophy of Contemporary Art, Peter Osborne, Contemporary art is the object of inflated and widely divergent claims. But what kind of discourse can open it up effectively to critical analysis? Anywhere or Not at All is a major philosophical intervention in art theory that challenges the terms of established positions through a new approach at once philosophical, historical, social and art-critical. Developing the position that "contemporary art is postconceptual art," the book progresses through a dual series of conceptual constructions and interpretations of particular works to assess the art from a number of perspectives: contemporaneity and its global context; art against aesthetic; the Romantic pre-history of conceptual art; the multiplicity of modernisms; transcategoriality; conceptual abstraction; photographic ontology; digitalization; and the institutional and existential complexities of art-space and art-time. Anywhere or Not at All maps out the conceptual space for an art that is both critical and contemporary in the era of global capitalism.

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Brennan Koelpin**

Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
