Among various other methods (some technical, some conceptual), The Memoirs of Billy Shears contains the world's longest acrostic, spanning 612 pages (from page 5 to 617). Practically everything in The Memoirs (and thus in Billy's Back! and in Beatles Enlightenment) is encoded—all for your pleasure of decoding it. Every other line is acrostical. To decode all of the hidden acrostical messages that run through 612 pages of the book, you will need to consult this booklet, which is the answer key. Everyone gets stuck on some parts. Everyone needs this answer booklet to check those parts where the code is too tough to break otherwise. These hidden messages add meaning to each chapter.
