WestBow Press, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Did you ever try to push a one hundred-pound rock up a hill with nothing but a toothpick? If you can imagine what that might be like, you have some idea how difficult it is for a child with a learning problem to read or spell ten simple words. It takes a huge amount of energy to push a heavy rock up a hill. It takes an equal amount of mental strength for a child with dyslexia to read and spell, and at the end of either of these strenuous activities, both the rock pusher and the child are exhausted. Five published Christian authors with learning disabilities wrote this book from their own experiences. It is their hope that others will be encouraged from reading how they overcame. An inspiring account of five amazing women authors who demonstrated how creativity and perceptual talents go hand-in-hand with dyslexia and ADD. -- Ronald D. Davis, author of *The Gift of Dyslexia: Why Some of the Smartest People Can't Read and How They Can Learn* and *The Gift of Learning: Proven New Methods for Correcting ADD, Math Handwriting Problems*. *The Overcomers* is a must-read for anyone with a learning disability or knows someone who suffers from that problem. These five amazing authors have opened their hearts and shared their stories in a way that puts feet to their faith and calls their readers to do the same. Don't miss this excellent read! --Kathi Macias, author of more than thirty books, including *Red Ink*, the Golden Scrolls Novel of the Year and Carol Award finalist *The Overcomers* is a finalist in the 2011 Women Of Faith Contest. It is in...
