Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Charlesbridge Publishing,U.S., United States, 2008. Paperback. Book Condition: New. Lori Mitchell (illustrator). 249 x 198 mm. Language: English . Brand New Book. Young April is excited about visiting Grammie, but she has a whole week before she can go. The week goes by quickly, however, as April encounters new and diverse people while she runs errands with her mother. A little girl who talks with her hands, a woman who reads with her fingers, a grown-up who draws pictures for a living, and so many others fascinate her. April wonders why and how these people are different from her and learns how they are also very much alike. This celebration of a world of difference is sure to make every reader appreciate the distinctive qualities in themselves and everyone around them.
