It was the aim of Zigzag Journeys in Europe and Zigzag Journeys in Classic Lands to make history interesting by stories and pictures of places. It was the purpose of Zigzag Journeys in the Orient to explain the Eastern Question, and of Zigzag Journeys in the Occident to explain Homesteading in the West. The purpose of this volume is the same as in Europe and Classic Lands. A light narrative of travel takes the reader to the places most conspicuously associated with German history, tradition, literature, and art, and in a disconnected way gives a view of the most interesting events of those Northern countries that once constituted a great part of the empire of Charlemagne. It is the aim of these books to stimulate a love of history, and to suggest the best historical reading. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
