A topic of frequent discussion in religious education circles is the relationship between theology and practice. How does Christian theology work itself out in the teaching ministries of the church? Noted Christian education thinker Robert Pazmio contemplates this debate and offers a contemporary overview of the messages theology brings to Christian education. Sensitive to today's expanding global culture, *God Our Teacher* reaffirms the essential role theology plays in developing educational practices and conventions, and carefully fleshes out what it means to use the Trinity as a model for ordering educational thought and practice. This book will be welcomed by all those involved in fostering the growth and development of Christian education. This item ships from multiple locations.
