

## Flodden: A Scottish Tragedy (2nd)

Filesize: 7.54 MB

### ***Reviews***

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Birlinn General. Paperback. Book Condition: new. BRAND NEW, Flodden: A Scottish Tragedy (2nd), Peter Reese, In the breadth of bitter-sweet Scottish history there is no more poignant, not more important, battle than Flodden. Before Scotland's disastrous defeat at the hands of the English under the Earl of Surrey, a proud country under its dynamic Stewart king, James IV, was emerging as a distinct and flourishing nation within Europe. With defeat the inevitability of Scotland's Reformation and union with England is hard to deny. Flodden was an ignominious and disastrous moment for the Scots, all the more so for being a largely unnecessary encounter, fought with superior numbers and arms, which left the country weak, exposed and leaderless. In this bestselling study of one of the most famous battles in history, Peter Reese recreates the drama and calamity of the battle fought just south of the River Tweed on 9 September 1513. Drawing together the political, military and historical background to the conflict, he examines the two armies and their leaders and explains the crucial tactical moves both before and during the encounter. The result is a thoroughly researched yet always accessible and realistic account of the battle Scotland has tried to forget.
