Capital Books, Incorporated, US, United States, 2007. Paperback. Book Condition: New. 249 x 201 mm. Language: English . Brand New Book. What is the best thing you can do when you don't have a thing to wear? What's the secret ingredient that can instantly improve the way you look and feel? It's simple--discover your personal colors! America's color guru Leatrice Eiseman will show you how in her fun and practical new book, *More Alive with Color!* Here Leatrice will introduce you to her original, easy-to-follow Color Clock system--the quick way to find and use the colors that reflect your personal style and transform the way you look. Based on the colors of your eyes, hair and skin and your psyche--discover your personal range of beautiful colors in Leatrice's colortimes: Sunrise with the sparkling jewel tones of dawn, Sunlight with the soft pastels and fruit shades of noon, or Sunset with the fiery hues that mellow into dusk. Then add those natural yet practical Crossover colors to expand your wardrobe without breaking your budget. She will show you how to pull your wardrobe together with your personal colors - which are sexy, which are powerful for interviews and such; which accessories will magnify your personal style; and which cosmetic and hair colors will make your skin glow and flatter your natural coloring. **REVIEWS** Use color to create comfort, space. Question: What color should my office be if I want to boost productivity? Answer: According to *The Color Answer Book* by Leatrice Eiseman (Capital Books, \$30), there is no one answer to that question. Ms. Eiseman is the founder and director of the Pantone Color Institute and is a color consultant to many industries. She says that if you are evaluating color for your own office, your...
