Outskirts Press, United States, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is me sharing my heart, mind, and soul. Enjoy! For as far back as I can remember, I ve written these words with no intention to share them with anyone until now. These are my most sincere thoughts bottled and wrapped up into poetic expression. These poems are a compilation of life experiences that are transformed into a lyrical collage that serves to inspire, stimulate, and entertain all who wish to read. In this collection of poetry I confront issues of child abuse, domestic violence, drug addiction, family, love, rape, race, and so much more. This book covers a vast array of human experiences so that everyone that comes in contact with this book can relate to something that I ve written. New Lover I found a new love A love that touches my soul A love that knows the ends and outs of me I found a noun that went deep inside of me I found a lover that kissed my walls and broke them down I found a love that made me cry I found ecstasy, drama, comedy and honesty I found intensity and strength I found poetry and the emotions inside of me Now no longer just inside of me But Out in the open for the world to see.
