CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 374 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Dr. Howard Archie had just come up from a game of pool with the Jewish clothier and two traveling men who happened to be staying overnight in Moonstone. His offices were in the Duke Block, over the drug store. Larry, the doctors man, had lit the overhead light in the waiting-room and the double students lamp on the desk in the study. The isinglass sides of the hard-coal burner were aglow, and the air in the study was so hot that as he came in the doctor opened the door into his little operating-room, where there was no stove. The waiting room was carpeted and stiffly furnished, something like a country parlor. The study had worn, unpainted floors, but there was a look of winter comfort about it. The doctors flat-top desk was large and well made; the papers were in orderly piles, under glass weights. This item ships from La Vergne, TN. Paperback.
