

The Elements of Physics (Classic Reprint)

By Edwin James Houston a M

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Elements of Physics In revising Dr. Houston s Elements of Natural Philosophy, the attempt has been made to preserve the method of presenting the subject which gave the book its great attraction. In order to bring it up to the requirements of the present day High School and College Preparatory work, it has been necessary to introduce much more of the mathematical form of treatment than the earlier book contained. It is believed that all that is necessary for such work has been introduced, while for those who do not care for this method, or for whose pupils it is considered too difficult, it will be found that much of the mathematics has been put in smaller type, or is most fully developed in the Appendix. Many new drawings have been added, mostly in the form of diagrams, as this is believed to be the best method for teaching purposes. The problems have been greatly increased in number and graded in difficulty. No attempt has been made to cover all the subject of physics,...
