Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

GUIDE TO TRAPPING

[DOWNLOAD](#)

Stackpole Books. Paperback. Book Condition: new. BRAND NEW, Guide to Trapping, Jim Spencer, Trapping has become somewhat of a lost art, but interest in the sport is as strong as ever thanks to a stable fur market and a growing need to control mammal populations or remove nuisance animals. In this guide Jim Spencer covers strategies for successfully harvesting popular species such as raccoon, muskrat, mink, otter, beaver, coyote, grey fox, red fox, bobcat, skunk, and opossum. His entertaining and informative writing will appeal to trappers of all levels. Spencer discusses trap styles and the basics of establishing and working a trap line, including techniques for fastening and adjusting traps and a species-by-species review of trapping tactics for the country's most pursued fur bearers. The field-tested techniques, carefully explained and illustrated in this work, will help trappers make sets that deliver maximum results.
